

Orange County Recycle Guide

Need to get rid of it but not sure where it goes? OC Waste & Recycling has put together an extensive guide to help answer all your questions about how and where to recycle different materials. Get important information on recycling things like:

OC Recycle Guide

BATTERIES

E-WASTE

CONSTRUCTION

CHEMICALS

MATTRESSES

MEDICATION

PAINT

PROPANE

SMOKE ALARMS

SOIL/DIRT

SOLAR PANELS

TIRES

Search this A-Z list of recycling options for Orange County residents and find specific information related to City of Cypress. Residents can also download a FREE OC Recycle Guide containing helpful resources to local authorities, Hazardous Waste Collection sites, charitable donation centers and more. **To find out how and where to recycle, go to OCRecycleGuide.com and help keep waste out of landfills.**

Cypress Community Clean-up Coming soon

It's almost here! Keep an eye out this summer for another drive up and drop-off cleanup event being held at the Cypress Civic Center (5275 Orange Ave.) Residents will be able to dispose of bulky items, unwanted household appliances and other e-waste, as well as household hazardous waste. These items will be recycled, reused, or disposed of properly.

The next Cypress Community Clean-up event date will be announced soon!

In the meantime, if you have any large items that do not fit into the standard trash cart, please schedule a bulky pickup with our Customer Service Department. **You can do that by calling (800) 442-6454, emailing an itemized list to VVSbulky@myvvs.com, or by submitting a request online at ValleyVistaServices.com/Bulky-Item.**

Prevent Food Waste at Home

Did you know that approximately 1/3 of all the food in the U.S. goes uneaten? Preventing food from going to waste is one of the easiest and most powerful actions you can take to save money and lower your climate change footprint. Below are some tips and resources from SavetheFood.com to help you get started:

- **Planning & Shopping:** Making a list with weekly meals in mind can save you money and time. Using the Meal Prep Mate will help you only buy what you expect to use, so you will be more likely to keep it fresh and use it all.
- **Storage:** When you store food correctly, it lasts longer (like keeping asparagus in a vase like you would with flowers)! Use Save the Food's interactive storage guide to find everything you need to keep food fresh.
- **Cooking and Preparation:** Produce that is past its prime, as well as odds and ends of ingredients and leftovers, may still be fine for cooking. Find recipes on how to repurpose these ingredients at SavetheFood.com/Recipes.

Used Oil Recycling

Every drop counts! The next time you do an oil change, take your used oil to one of the many CalRecycle Certified Used Oil Collection Centers throughout Orange County. Local auto parts stores and service centers such as AutoZone, O'Reilly Auto Parts, Pep Boys, Jiffy Lube, Valvoline Instant Oil Change and over 200 other businesses in Orange County are ready to serve you. All Certified Centers will accept up to 5 gallons of uncontaminated used oil from the public absolutely FREE during normal business hours. Be sure to call ahead to find out if the center you are visiting also accepts filters for recycling. There is no I.D. or paperwork required to participate. **To find a used oil recycling center in and around City of Cypress, please go to www2.CalRecycle.ca.gov/UsedOil/CertifiedCenters or call the Earth's 911 hotline at (800) CLEANUP.**

Rate Adjustment Notice

At Valley Vista Services, we consider it one of our responsibilities to be as cost efficient as possible. We have always worked to provide our customers with the best in service at the lowest cost. Unfortunately, costs for labor, equipment, maintenance, landfill fees, fuel and other related expenses continue to increase. Therefore to help offset some of this cost, which is out of our control, a CPI rate adjustment authorized by the City of Cypress franchise agreement will take effect July 1, 2022. As always, we promise to continue our efforts to provide you with the very best in service and value.

Sincerely,
Valley Vista Services, Inc.

Holiday Schedule

Collection Service will not run on these holidays:

New Year's Day

Labor Day

Memorial Day

Thanksgiving Day

Independence Day

Christmas Day

If your regular collection day falls on or after one of these holidays, pick up will be delayed one day. Excluding holidays, our normal business hours are Monday through Friday 8 am - 5 pm and Saturday 8 am - 1 pm.
