

# Valley Vista Services is Going Green!

Recycling reduces the amount of waste that goes into the landfills, protecting natural resources, saving energy, and saving water. At Valley Vista Services, we collect both trash and recyclables in your brown container, which is called mixed waste processing. The recyclables are then separated out and sorted at our Material Recovery Facility!

Going green also includes recycling organic waste. Valley Vista Services prides itself on making organic waste collection fast and easy. The organics program allows disposal of food and yard waste, which is collected in your organics container. Valley Vista Services also provides free food waste pails to single family and multi-family customers (one pail per unit) to make recycling food waste even easier! We encourage placing food waste in clear or transparent plastic bag to keep food waste separate from yard waste. Please make sure to only place organic material in your organics container.

## Valley Vista Services

### *Recovering the Earth's Resources*

Valley Vista Services can conduct a site visit upon request, to help you identify the appropriate size and frequency for your business while keeping you compliant with applicable recycling laws. Let us show you the Valley Vista difference!

### Bulky Item Pickups:

#### • Bulky Items and Electronic Waste Pickups for Multifamily and Residential Customers

We will provide a specified amount of bulky item pickups per year at no charge (limit of 10 items per pickup) based on the number of units on the premises, as specified in the chart below. Bulky items include furniture, appliances, wood, textiles, etc.)

Number of Units	Maximum Collection Pickups (no additional cost to customer)
150+ units	Up to 50 per year
101-149 units	Up to 40 per year
50-100 units	Up to 30 per year
25-49 units	Up to 20 per year
1-24 units	Up to 10 per year

\*1-unit accounts for a Residential Customer

Couches

Stoves

Washers & Dryers

Bundled lumber tree branches (48" max length, 6" max diameter)

Dressers

Electronics

#### • Bulky Items and Electronic Waste Pickups for Commercial Customers

We will make six pickups of bulky items with a limit of 10 items per pickup and unlimited amounts of certain electronics at your request each year. Electronic waste includes electrically powered equipment such as TV and computer monitors, phones, radios, stereo equipment, and calculators.

- **Requests must be received at least 24 hours in advance to ensure pick-up on your next scheduled service day.**

### Senate Bill (SB) 1383

The Los Angeles County Board of Supervisors adopted the Mandatory Organic Waste Disposal Reduction Ordinance requiring all businesses and residents in the County unincorporated communities to subscribe to organic waste collection services.

The Ordinance is required per state Senate Bill (SB) 1383 regulations effective January 1, 2022. SB 1383, aims to keep food and other compostable materials out of the landfills to reduce greenhouse gas emissions that contribute to climate change. To read the Ordinance and the Ordinance Guidelines, please visit [FightFoodWasteLA.com](http://FightFoodWasteLA.com).
