

# Organic Waste

## RECYCLING GUIDE

### What you should put in:

#### All food waste, including:

Meat • Bones • Dairy • Coffee Grounds & Filters  
Tea Leaves and Bags • Egg Shells • Vegetables  
Fruit • Flowers and Leaves • Garden Waste

#### Small quantities of:

Egg Cartons • Paper Placemats

Paper Towels and Serviettes • Paper Plates

Compostable Bags

### What you should leave out:

Plastic utensils, plates or cups

Polystyrene/Styrofoam

Aluminum Foil Packaging

Glass and Metal

Non-Compostable Plastic Bags

Businesses must sort their recyclables and compostables from their trash.
